

# Devin Moe Memorial Youth Golf Scholarship

There will be two Devin Moe Memorial Youth Golf Scholarships awarded to seniors at Fergus High School who have been a member of the FHS Golf Team for at least two years and are planning on attending college. Each scholarship will be in the amount of \$200. Please contact Keithon Walter at 406-366-3303 with any questions or concerns.

## Scholarship Due Date: May 3, 2021

*Devin was a member of the Fergus High School Golf team and passed away in a car accident while attending college. His grandparents, Tom & Ellen Moe, were members of the Elks and both avid golfers. They felt that golf for youth was important and began a small fund to encourage kids to golf. We continue to honor Devin's memory through a golf tournament that has been held the day before school starts. These funds help support our youth in golf which is a lifelong sport and want to be able to offer a small scholarship for the next few years.*
